Bonn/Königswinter

The city of Bonn, birthplace of Beethoven, lies picturesquely on the banks of the Rhine and is one of the oldest cities in Germany. The Federal Republic of Germany began here and was governed from there until 1990. More than 2,000 years of history have shaped the city and left many traces.

On **the first day of the congress**, you will immerse yourself in the city's long and eventful history during a guided tour with a festive finale. On Thursday, **the second day of the congress**, the accompanying tour invites participants to come along to Königswinter's local mountain, the Drachenfels. Get to know the romance of the Rhine not far from the hotel during a tour in the Drachenburg Castle, before continuing on to Bad Honnef for the Chocola Tour at the Coppeneur chocolate factory after a light snack. **The third day of the congress** can be used at leisure. In the afternoon, the traditional golf tournament is planned.
