Minutes Member's Meeting - Information to Annual Congress

Dear Ladies and Gentlemen,

please find enclosed the minutes of the DCA Member's Meeting of 26.01.2022 in Oldenburg with the request to take note of them.

Information about the annual congress - "Call for Papers and Sponsors"

The 26th annual congress of the DCA will take place as announced from 05. to 07.10.2022 in Stratford-upon-Avon, UK. It will be held under the motto

"To drill or not to drill - that's the question!",

in reference to the great English playwright, lyricist and actor William Shakespeare, at the Crowne Plaza Hotel there. The program will again include two workshops on Thursday afternoon in language-separated groups on the following topics:

Workshop 1: "The Role of Downhole Drilling Fluid"

Workshop 2: "Accuracy in HDD drilling"

In addition to an interesting introductory lecture, the main focus will be on presentations from HDD companies in the UK. Furthermore, presentations on other HDD topics shall round off the event. All members are called upon in this course to announce themselves with interesting lectures in our office.

Furthermore, the new sponsoring program for annual congresses will be introduced this year (see attached flyer). The goal is to keep the contributions to the annual congresses stable in the future and to give as many members as possible the opportunity to participate.

The sponsorship program is divided into the three categories

"Communication - Networking - Social Program"

Drilling Contractors Association (DCA-Europe)

Verband Güteschutz Horizontalbohrungen e.V.
Association des Entrepreneurs de Forage Dirigé

DCA · Charlottenburger Allee 39 · D-52068 Aachen

Here you have the possibility to support the DCA as a gold (exclusive), silver or bronze sponsor in the individual categories. During the member's meeting, two commitments for a "Gold Sponsorship" have already been made.

Enclosed you will find a flyer with further information about the sponsoring program 2022. We would be pleased if this has aroused your interest. For further information, please contact our office.

Contact: Dipl.-Geol. Antje Quante (a.quante@dca-europe.org)

Last but not least, we would like to point out that the DCA member certificates will no longer be sent by mail to the representatives of the member companies as of 2021, but can be downloaded from the member area of the DCA homepage at the beginning of the fiscal year. We ask that this be taken into account.

Finally, we would be pleased if you would support the association with an interesting presentation at the annual congress or as a gold, silver or bronze sponsor.

We would like to take this opportunity to thank you in advance.

With kind regards

Jorn Stoelinga
President

Dietmar Quante
Executive secretary
