## Members' info 08/2023 – Technical Information No. 6, lectures for annual congress

Dear Ladies and Gentlemen,

As announced at the members' meeting in Oldenburg, please find enclosed the final report of Task group 2 " Rohrumhüllung und -ummantelung im HDD" (German version) as Technical Information No. 6 together with an Excel matrix. The English version of the Technical Information is still in preparation and will be available in the middle of the year.

You can also download the technical information from the members' area via the following link:

<https://dca-europe.org/technische-informationen-mitgliederbereich>

We would like to take this opportunity, on behalf of the DCA board, to thank all those involved for their commitment to the Association's objectives.

The series "DCA Technical Information" currently consists of the following issues:

- No. 1 Quality Assurance
- No. 2 Modal bill of Quantities
- No. 3 Shaping Recommendation of Technical and Legal Contract Conditions
- No. 4 DCA Technical Guidelines – Information and Recommendations for the Planning, Construction and documentation of HDD-Projects, 4th edition 2015 New version chapter 4.1.4 Tolerances, 2019
- No. 5 Recovery and disposal of drilling cuttings and fluids from HDD operations, current legislation and recommended procedures

Members can download them free of charge from the members' area on the homepage.

## **DCA Annual Congress Leipzig - Call for papers**

The annual congress will be held under the title "The importance of HDD in the energy transition". In the course of preparing the event we need your support. Please send proposals for informative presentations to our office by the end of April 2023.

If you have any questions, please do not hesitate to contact us at any time.

With kind regards

Jorn Stoelinga  
Präsident

Dietmar Quante
