### **Member Info – 12/2023:**

#### **Newsletter 01/2023, Registration Annual Congress**

Dear Ladies and Gentlemen,

Newsletter No. 54 - August 2023 has been completed and can be downloaded via the following link:

<https://indd.adobe.com/view/ae027825-ac25-40b1-98cc-7fb96d7aa65c>

In addition to the members' meeting and the upcoming annual congress, the focus in this issue is on the publication of Technical Information No. 6 "Coating" as well as a technical article on the topic of "HDD Drillings - obligation to explore existing pipelines", which is intended to draw attention to the topic once again for the given occasion. The content of the issue is rounded off with information on other DCA events that have already taken place this year.

The **editorial deadline** for the next issue is **November 10, 2023**, and we look forward to your contributions! On behalf of the board, we would like to take this opportunity to thank all those involved in this issue for their commitment to the association's goals.

Furthermore, we would like to inform you that **registration for our annual congress** has already begun.

**As last year registration is exclusively digital via the DCA homepage. Please note!**

The speakers and panelists have already been contacted separately.

Please use the following link. There you will find the program brochure, information about the accompanying program and information on room reservations at the congress hotel and on how to get there as well as further information.
