Participation- Info

Our course is located just outside the gates of the World Heritage city of Bamberg on the listed Leimershof estate. Far away from any road or traffic noise, the golf course is nestled in the typical Franconian hilly landscape and surrounded by forest on three sides. A round of golf on the partly hilly course with its slopes, numerous bunkers, water hazards and undulating greens is an unforgettable experience for every golfer.

We will leave the **hotel after the last speech at 12:45 p.m.** and go for the golf tournament. The trip should take no longer than 30 minutes. You will travel there in your own vehicle. Carpooling may be possible.

Refreshments will be provided: a packed lunch will be available at the DCA registration desk at the **hotel from 12 noon.**

We will be playing:

- 9 holes
- Individual - Stableford
- Not handicap-relevant
- Tee time: 2 p.m.

A small award ceremony will take place afterwards.

We wish all participants a great game!

Christoph Kreuz
Organisator of the Golftournament
